RELIABILITY

Reliability that Stand Strong through every Challenge

Manufactured using a 3 - cylinder Mitsubishi diesel engine. Mitsubishi engines are well known for their reliability, power and ability to generate outstanding horsepower along with EPA Tier 4 compliance.

VERSATILITY

Meets all Requirements Effortlessly

Captain versatile multi-purpose tractor offers affordable range of implements/attachments to help you achieve your everyday tasks. This compact tractor comes with a wide range of matching implements such as Loader, Box Blade, Mower, Rotary Tiller, Landscape rake & many more.

Italian Designed **LION FACELIFT**

From the land of Asiatic lions.

CAPTAIN 8G "LION FACE" Designed by Italian Company.

Lion Face Front Design

Bold & Muscular Outlines
(Steel Hood / Bonnet & Fender)

Powerful **HYDRAULICS**

Powerful lifting capacity of 1488 lbs.(at lower link point)
No loss of hydraulic oil flow while using steering.

Powerful Lifting Capacity

Powerful **ENGINE**

25 Ps, 3 cylinders, 80.42 Ci with low fuel consumption
& reduced engine noise.
2500 rated speed (RPM), liquid cooled engine system.

3 Cylinder Engine

No DPF
Low Maintenance Cost

Low Fuel Consumption

Liquid Cooled

More Versatile **FRONT ATTACHMENTS**

Captain loader specifically designed to maximize the performance
of the front loader and tractor. They offer a large lifting capacity,
perfect for landscaping or light utility work.

Easily Connected

Powerful
Lifting Capacity

MECHANICALLY SELF LEVELLING

Powerful – 3 Range **TRANSMISSION**

Reliable HST Transmission.

HST offers fast and smooth forward and reverse speed
and direction changes via twin HST foot pedals.

Rear & Mid PTO

Oil Immersed Brakes

Differential Lock

**HYDROSTATIC
TRANSMISSION**

Twin HST Pedals for
Easy & Quick - FWD. & REV.

LET'S DIVE IN THE FUTURISTIC WORLD OF CAPTAIN

Captain Tractors performs well in toughest working conditions and gives desired output in all kinds of farming functions.

BOX BLADE

Conquer the Ground Effortlessly

The box blade is a versatile tractor attachment for grading, leveling, and clearing soil. Ideal for landscaping and road maintenance, it offers precision and durability for various earth-moving tasks.

GRADER BLADE

Unleash Grading Power

The grader blade is a tractor attachment for levelling surfaces, providing precision for road maintenance and landscape grading with a single blade.

LANDSCAPE RAKE

Rake it Like a Pro!

The landscape rake is a tractor attachment used for smoothing and leveling soil, removing debris, and preparing surfaces for planting.

ROTAVATOR

Dominate the Dirt Like a Champion!

The rotavator "prepares the ground effortlessly," breaking up compacted soil and integrating compost for healthier gardens and improved harvests.

QUICK HITCH

Farm Smarter & Faster

A "Quick Hitch" revolutionizes farming by enabling fast, effortless attachment and detachment of tractor implements, boosting productivity.
